

Menifee Town Center (MTC): 27626 Plaza Park Ave, Menifee, CA 92584

Lockbox Code:

1337

Entry Access:

2 key fobs that will allow entry to the gate. Take only one fob and leave the other fob for the second shift entry.

Wave the key fob across the access pad attached to the gate. Please make sure the gate shuts completely behind you as residents will need to use their fobs or phone app each time they enter the facility, no exceptions.

Storage:

In the clubhouse you can leave your belongings underneath the cabinets that are in the kitchen area, in the same space you will retrieve the First Aid kit gear box. Please store all bulky items there which include bookbags, purses and or duffle bags as well as all electronic devices. You do have the option to leave your items in your car as well. There should be no personal items on the sign-in table, underneath or beside your station seats as it will cause the area to look unorganized, cluttered and may cause tripping hazards.

Parking:

You are allowed to park in any available parking space
