

Garden Pool Chair Rules & Regulations

When guests are in the facility:

1. The Lifeguard on Duty ***MUST*** follow the “5 Minute Strategy”.

*The 5 Minute Strategy states: When you are on surveillance duty it is important to always remain vigilant. A significant change in your positions needs to be made every 5 minutes. Your options for positions are sitting, standing, & roving. Meaning you **must** not sit, stand, or rove for longer than 5 minutes at a given time.

2. The chair must be used professionally.

*No stretching, standing, leaning, “posted up” with the chair unless you are seating in a proper way to watch water.

3. Do not allow guests to sit in the chair during operation hours.

4. Do not leave your belongings at the chair.

*Bags, phones, keys, and other personal equipment must remain in the grey cabinet.

When guests are **NOT** in the facility:

1. No sitting in the chair.

*If there are no guests in the facility, the chair is not allowed to be used. We want to maintain our image of professionalism while in guest view. By remaining at host when the facility is empty, you can better greet the guests.

2. Do not leave your belongings at the chair.

*Bags, phones, keys, and other personal equipment must remain in the grey cabinet.
