

ALISO VIEJO AQUATIC CENTER

ZONE COVERAGE

During normal operations, AVAC will have at least 1 Aquatics Director or Regional Manager available by phone, 1 Lifeguard Supervisor on site, and minimum 1 guard for the lap and recreational pool dependent on the season. The lifeguard supervisor will be on location. The director will have oversight of the entire operation. Each pool will have a small first aid supply on hand.

Staffing levels for each pool or attraction may vary depending on pre-approved seasonal contract. Facility Supervisors will be responsible for frequently checking each pool. They will support the Lifeguards and maintain standards.

The following list are minimum and maximum staffing levels and zones for operation of each respective pool or attraction:

Single guard lap pool

Double-guard lap pool

Triple-guard lap pool

Single guard rec pool

Double-guard rec pool
